

MEETING OF THE MINDS

PALM SPRINGS | MARCH 12-15

A large, illuminated sign for the Riviera Resort & Spa. The word "Riviera" is written in a large, white, cursive script. Below it, "Resort & Spa" is written in a smaller, white, sans-serif font. The sign is set against a dark background and is illuminated from within. In the background, a building with large glass windows is lit up, and a large, illuminated starburst sculpture is visible on the right.

SHAPE THE FUTURE OF TECHNOLOGY CONSULTING:

Join a 90 Minds Committee!

Are you a passionate technology consultant looking to make a real impact?

Join any of these 90 Minds committees and contribute your expertise to shaping the future of our industry! We're looking for enthusiastic individuals who share our commitment to excellence in:

- **Membership:** Grow our vibrant community by engaging new members and fostering collaboration.
- **Events:** Craft high-quality, informative events that connect members with industry leaders and cutting-edge technology.
- **Education:** Develop valuable resources and workshops to help members stay ahead of the curve in their skills and knowledge.
- **Content Library:** Build a comprehensive resource library packed with industry insights, best practices, and thought leadership.

Here's what you'll gain:

- **Network with leading technology consultants and industry thought leaders.**
- **Shape the direction of the association and its initiatives.**
- **Develop valuable leadership and collaboration skills.**
- **Gain access to exclusive resources and educational opportunities.**
- **Make a lasting impact on the future of technology consulting.**

Time Commitment: We understand everyone is busy, so we offer flexible participation options. The average time commitment is 1-2 hours per month, with monthly meetings and occasional task-based projects.

We're seeking individuals with:

- A passion for technology and a strong understanding of the consulting industry.
- Excellent communication and collaboration skills.
- A willingness to contribute creative ideas and share their expertise.
- A commitment to supporting the association's mission and values.

Together, we can build a stronger, more innovative technology consulting community!

- Gary Feldman
- Michele Herzog
- Brian Kelly
- Basil Malik
- Tina Meacham Leonard

This committee plays a crucial role in overseeing and facilitating educational initiatives for 90 Minds and the annual conference, Meeting of the Minds. The specific responsibilities can vary but here are some common functions this education committee may perform:

- **Curriculum Development:** Designing, reviewing, and updating educational programs and courses to ensure they align with the 90 Mind's mission and meet the needs of its members.
- **Needs Assessment:** Identifying the educational needs of the 90 Mind's members through surveys, feedback, and analysis of industry trends.
- **Program Planning:** Planning and organizing educational events, workshops, webinars, seminars, and conferences that provide valuable insights and information to members.
- **Speaker Selection:** Identifying and inviting qualified speakers, subject matter experts, and educators to contribute to the educational programs and events.
- **Quality Assurance:** Monitoring and evaluating the effectiveness of educational programs to maintain high standards and relevance. This may involve collecting participant feedback, analyzing outcomes, and making improvements.
- **Promotion and Communication:** Collaborating with the 90 Mind's director to promote educational events and initiatives, ensuring that members are aware of opportunities for professional development.
- **Partnerships:** Exploring and establishing partnerships with educational institutions, industry experts, or other organizations to enhance 90 Mind's educational offerings.
- **Certification and Accreditation:** If applicable, managing certification or accreditation programs to provide members with recognized credentials for their professional development including CPE Credits.

MEMBERSHIP COMMITTEE

- Madeline Stefanou (Board Representative)
- Gary Feldman
- Kate Krueger
- Steve Iwanowski
- Bill Crable
- Venessa Griffin
- Amber Prayfrock
- Jerry Norman

The Membership committee is responsible for managing and enhancing the 90 Mind's membership base. The committee focuses on activities that attract new members, retain existing ones, and ensure that members find value in their 90 Minds affiliation.

The specific duties of a membership committee can vary, but common responsibilities include:

- **Member Recruitment:** Developing strategies to attract new members to the association. This may involve marketing campaigns, outreach efforts, and collaborating with other committees or teams within the association.
- **Membership Retention:** Implementing initiatives to retain current members. This could include organizing events, creating networking opportunities, or providing exclusive benefits to members.
- **Onboarding Processes:** Creating and managing processes to effectively onboard new members, helping them understand the benefits of membership, providing orientation materials, and facilitating their integration into the association community.
- **Membership Renewal:** Overseeing the renewal process for existing members. This may involve sending reminders, communicating the value of membership, and addressing any concerns or issues that members may have.
- **Member Communication:** Developing and maintaining communication channels to keep members informed about association activities, benefits, and opportunities. This includes newsletters, emails, and social media communication.
- **Member Feedback:** Collecting and analyzing feedback from members to understand their needs, concerns, and preferences. This information can be used to improve member services and tailor association offerings.
- **Diversity and Inclusion:** Ensuring that the 90 Mind's membership reflects diversity and is inclusive. The committee may work on initiatives to attract a broad range of professionals and create an inclusive environment.
- **Member Recognition:** Developing programs to recognize and celebrate the achievements and contributions of members. This could include awards, acknowledgment in publications, or special events.

EVENTS COMMITTEE

Exciting News: Introducing Our New Content Library!

We're thrilled to announce the formation of a new committee dedicated to making your 90 Minds membership even more valuable. Our Content Library Committee is hard at work building an amazing resource for you!

What's in it for you?

- One-stop shop for Sage 100 expertise: Articles, videos, whitepapers, and more – all focused on helping you master Sage 100.
- Save time: No more searching the web for reliable information. We'll curate the best content for you.
- Stay ahead of the curve: Get the latest industry insights, trends, and best practices.
- Content built for our community: We'll tailor the library to meet your specific needs.

The committee is focused on:

- Finding the most relevant and helpful Sage 100 resources.
- Creating original content when you need something we don't already have.
- Making it super easy to find exactly what you need.
- Keeping the content fresh and up-to-date.

Want to be involved? Let us know if you'd like to help shape this amazing new resource for our community.

Please stay tuned for updates as the library takes shape!
